**Total Due**

Agencies that are unable to afford the membership fee may apply for a waiver. That waiver may be used only once every five years. An agency with such a waiver is considered a Class A member. To apply for a waiver, the chief officer or similar leader should send a request and this form to the address below.

This form is an application that will be judged by the FLSEC Executive Board for membership eligibility. You will be notified of a decision as soon as possible.
